

# Pension Comparison Tool: compare two pension plans

# Why compare pension plans?

 $Every \ pension \ plan \ has its own \ conditions. \ This \ Pension \ Comparison \ Tool \ helps \ you \ identify \ the \ differences \ between \ two \ pension \ plans.$ 

It shows you what each pension plan does and doesn't offer. Find out what the differences imply for you, so you can decide whether you wish to make additional pension arrangements. Having insight into the differences will help you decide whether or not to transfer the value of your pension to your new pension administrator.

### Compare your pension plan in five steps

Take layer 1 of Pension 1-2-3 of your CDC pension plan.

Fill in the Pension Comparison Tool step by step. The terms used are explained in layer 1.

Step 1: What is and isn't offered under each	h of the pension plans?	
Explanation In this step, you can compare the conditions of your current pension plan with those of your previous or future pension plan. If a certain item is not offered by your pension plan, the icon will be crossed out. ## Step 4: How secure is your pension?

It is usually hard to say how much pension you will eventually receive when you retire. This step shows you whether the amount of your pension benefits are fixed, whether your pension is indexated to keep up with rising prices and wages and whether your pension benefits could be cut if, for instance, the pension  $fund is funding \ ratio \ is \ too \ low. \ {\color{red}Note:} The \ lower \ the \ pension \ fund is \ policy \ funding \ ratio, the \ higher \ the \ risk \ that$ your pension benefits might be cut.

Step 5: How important are	these differences to you?
---------------------------	---------------------------

Now that you have identified the differences between the two pension plans, you can decide how important these differences are to you. Consider how these differences affect your situation. You might want to make your own additional pension arrangements. For more information on the differences and how they affect your pension benefits, please contact your pension fund, insurer or employer. Or consult a financial advisor.
